Hi, this is [Ava] with Quick Property Buyers, how's it going today.

*\*Wait for Prospect to Respond\**

and by the way, the audio has been a bit laggy today so if i cut you off or if there's a bit of a delay I apologize in advance.

*\*Wait for Prospect to Respond\**

So um. we spoke to you about buying {metadata.propertyaddress} in {metadata.propertycity} in the past. We're wondering if you still looking to sell it?

*\*Wait for Prospect to Respond\**

If Yes, Can I ask you what's the price you have in mind for that one?

*\*Wait for Prospect to Respond\**

What can you tell me about the property?

*\*Wait for Prospect to Respond\**

So if we can get you [asking price] you'd be interested in selling

*\*Wait for Prospect to Respond\**

I will talk to my team about this in our meeting today, there going to ask me If this price negotiable at all?

*\*Wait for Prospect to Respond\**

Let me go ahead and do so research on this property. Before I let you go, can you please confirm the address again, I want to make sure I have the right information.

*\*Wait for Prospect to Respond\**

Also is there anything that could affect the sale of this property, like title issues, leens or code violations?

*\*Wait for Prospect to Respond\**

Great, thank you for that information. I'll do so research and get back to you, [Prospect's Name].

When would be a great time to call you back?
